We are proud to continue growing Majorie’s legacy and the impact that she had and will continue to have on those in our community. In the past year, over 26,000 meals were served to children in out of school programs, the Y served its 4,000th child in the SPLASH Learn to Swim Program, and 9 Evidence Based Health Intervention Programs were launched that serve over 600 individuals battling cancer, arthritis, hypertension, Parkinson’s and more.
